## 123 Fun

You are invited to bring your 4 year old  
child to Rotary Park School, to experience  
what it is like to be a 'big school person'!

Sessions will be run every Tuesday from  
1.30 to 2.40pm,

Parents may stay at the school, and are wel-  
come to have a cup of coffee in the  
staffroom during the session.

This is a fantastic opportunity to assist  
your child's transition to Primary School,  
and there is no obligation for your child to  
continue at Rotary Park School when  
starting school.

**Walk 'n Wheel**  
**Wednesdays—Week 2**  
90% of the children  
walked or wheeled to  
school today.

A little bit down on last  
week. Rooms 4 & 5 both

### My Sister

By Joseph Belton

*She is like a cheeky mother chimpanzee  
Always looking out for me  
She is like an agitated rhinoceros  
Losing her temper quickly  
She is like a bull on the rampage  
Determined to get what she is doing done  
She is like a computer nerd  
Often on electronics  
She is like a young child  
With a light sunny laugh  
She is like my parents  
But only younger !  
Congratulations to Josef who had this poem published in the 'ODT Extra.' this month*
